CONNECTING PEOPLE TO THEIR FUTURE.

The NMA Leadership Model

**NMA...
THE LEADERSHIP
DEVELOPMENT
ORGANIZATION**

NMA...
THE LEADERSHIP DEVELOPMENT ORGANIZATION

TAKE ADVANTAGE OF...

WHAT IS NMA?

The NMA chapter is part of a universal network of NMA-affiliated organizations devoted to the personal and professional development of Today's workforce.

Founded in 1925 in Dayton, Ohio, NMA has almost 19,000 members in almost 90 company and/or community chapters.

Our vision is to be the foremost leadership development organization attracting the best and brightest to NMA.

"THE OPPORTUNITIES FOR PERSONAL AND PROFESSIONAL DEVELOPMENT ARE UNLIMITED; ONE NEEDS ONLY TO PARTICIPATE."

CHARLES F. KETTERING, NMA FOUNDER

CONTINUOUS LEARNING from the best resources available are a core part of the value-added benefits you receive as an NMA member. New web-delivered services tap into a universal network of best practices and lessons learned.

NMA offers formal training in such areas as team building and supervisory and management skills.

In addition to formal classes, you have the opportunity to sharpen your leadership skills by participating in chapter-sponsored events. These skills, once mastered in an NMA setting, are easily transferable to the workplace.

POWER NETWORKING is a key advantage to your NMA membership. You will have the opportunity to meet people from all levels and departments within your organization or community. You can expect to gain valuable advice and solve complex problems in an informal atmosphere with the people who care the most—your peers and colleagues! By participating in web-based sessions you can extend your

network and access people with real life experiences from all types of industries and professions.

VOLUNTEERING in chapter-sponsored programs builds integrity and character in leaders. Involvement in community activities helps you develop new relationships, networks, and leadership skills. NMA members become involved in chapter driven efforts such as Habitat for Humanity, Adopt-a-School, Junior Achievement, United Way, and many other valuable programs.
