The Last Lecture

**by Randy Pausch
Professor, Carnegie Mellon**

Randy's lecture has become a phenomenon, as has the book he wrote based on the same principles, celebrating the dreams we all strive to make realities. Sadly, Randy lost his battle to pancreatic cancer on July 25th, 2008, but his legacy will continue to inspire us all, for generations to come.

**Everyone's heard about it – now you have
an opportunity to experience it on DVD.**

**February 18, 2009
11:30 a.m. – 12:30 p.m.
Conference Room 14, 1150 Gemini**
